

PROGRESSIVE CAUCUS

of the CALIFORNIA DEMOCRATIC PARTY

Become a Liaison or a Tracker with the Progressive Caucus Lobbying and AD Organizing Project

The Lobbying and Organizing Project will be structured through Assembly Districts and will rely on a Liaison for each AD. In ADs where there are numerous Progressive Caucus members, we will need more than one Liaison. Every AD Liaison will be sent an Excel file of Caucus members in his or her AD.

The Project's goal is for constituents to lobby legislators to pass progressive legislation and to oppose poor legislation. Lobbying will be by phone, fax, email, and in person. In some cases, we will lobby committee members if, for example, a bill we are interested in is stalled or facing drastic changes in the committee considering it.

Liaisons are encouraged to develop relationships with sympathetic legislators and their staffs in order:

- To learn about bills that should be lobbied for or against
- To acquaint legislators with the Progressive Caucus and its priorities
- To develop trust between legislators and their Caucus constituents.

Conference calls between AD Liaisons and Caucus officers will determine which bills will be slated for lobbying along with a set of talking points. We will begin with the ADs, but ultimately will add SD and CD constituent lobbying groups. We will cooperate with the CDP Legislative Action Committee when possible.

In addition to **Liaisons** responsible for their AD, we also have **Trackers** who follow legislation on the topic they are interested in. Some of the topics are: healthcare, media reform, net neutrality, clean money, CA budget, poverty, sustainable agriculture/food, clean/renewable energy, death penalty, labor, civil & human rights, Prop. 8.
